## **The 22nd Annual Apple Pie Marathon.**

Many details are well underway, but one of the most important is each person's commitment to make this United Methodist Women's Apple Pie Marathon the same successful, largest fund-raising event it has been since 1989. This church-wide project is more than a means of raising money to support many local and world-wide missions. It's a time of great fellowship – a get-to-know-your-church-family time – another “don't want to miss” time, while turning 85 bushels of apples into 1200 beautiful 10” deep-dish apple pies. Everyone's help is needed – church family, as well as a few friends. The dates to be on everyone's calendars are October 20, 21, 22. (and, of course, we need to sell pies!)
